## How to Register for Courses

### First Time In College Students

#### Step 1

**Complete an Application for Admission.** An application can be completed online at [www.ApplyTexas.org](http://www.ApplyTexas.org).

Submit a high school transcript or GED. If you are under the age of 22, submit documentation that you have received a Bacterial Meningitis Vaccine.

#### Step 2

**Complete the TSI Assessment Test if you plan to complete a degree.**

Students should contact the Testing Center (409) 839-2027 to schedule an appointment for testing or locate an alternative testing site at <http://www.actstudent.org/register/centers.html>

#### Step 3

**If applicable, apply for financial aid and/or scholarships.** Complete the Free Application for Federal Student Aid (FAFSA). Forms are available online at [www.fafsa.gov](http://www.fafsa.gov). LIT school code is 036273.

Students interested in applying for scholarships must complete an application at <http://www.lit.edu/foundation/scholarships/>.

#### Step 4

**Contact an academic advisor to schedule an advising appointment.**

See Academic Advisors (page 15) for contact information.

All advising questions may be directed to [registration@lit.edu](mailto:registration@lit.edu).

#### Step 5

**Register for courses, pay tuition & fees.** Students may register in person or online through [Self Service Banner](#)

Students with 'holds' on their accounts cannot register until 'holds' are removed from their account. See Student Success or Cashiers Office to remove 'holds.' Online students should contact their online advisor to remove TSI holds.

#### Step 6

**Purchase books.** Books may be purchased at the LU Bookstore. Students may also purchase books online. See <http://www.lit.edu/CurrentStudent.aspx> for online bookstores.

**Students need an ID number and password to register online. Your ID number is your 'T' number listed in your acceptance letter. Your password is your six digit date of birth.**

## Returning Students

### Step 1

**Schedule** an advising appointment through **Starfish Early Alert** through **Blackboard** or **MyLIT**. If you have trouble accessing Starfish, please contact [starfish@lit.edu](mailto:starfish@lit.edu) or 409-839-2043.

### Step 2

Under **My Success Network**, find your **Primary Advisor** under **Your Connections**. Click the arrow and **Schedule**.

### Step 3

Click **General Advising** and select **Advising/Registration/Class Schedule**. Pick a day and time for your advising appointment that works for you and click **Continue**.

### Step 4

Review your scheduled appointment. Make sure the information is correct and select **Confirm**.

### Step 5

During the **Advising Appointment**, you & your **advisor** will complete an **Advising Form** to develop a **schedule** for the semester.

### Step 6

Before you leave the appointment, you will be **registered** for classes and given a **copy of the schedule**.

Re-print your schedule prior to the first day of class to confirm your schedule.

## Transfer Students

### Step 1

**Complete an Application for Admission**. An application can be completed online at [www.ApplyTexas.org](http://www.ApplyTexas.org)

Submit an official high school transcript, GED, or official college transcript(s).

If you are under the age of 22, submit documentation to Student Success confirming you have received a Bacterial Meningitis Vaccine.

### Step 2

**If applicable, apply for Financial Aid and/or scholarships**. Complete the Free Application for Federal Student Aid (FAFSA). Forms are available on-line at [www.fafsa.gov](http://www.fafsa.gov). The school code is 036273.

Students interested in applying for scholarships must fill out a separate application. Visit <http://www.lit.edu/foundation/scholarships/> for scholarship information

### Step 3

Students are encouraged to make an appointment with an academic advisor in **Starfish**, however **NEW LIT** students should contact **Student Services** to make an appointment by emailing [registration@lit.edu](mailto:registration@lit.edu)

See **Academic Advisors** (page 14) for contact information.

Develop a schedule for the semester with your **Academic Advisor**.

### Step 4

**Register for courses, pay tuition & fees**. Students may register in person or online at [https://litssbprod.lamar.edu:9100/lidb/twbkwbis.P\\_WWWLogin](https://litssbprod.lamar.edu:9100/lidb/twbkwbis.P_WWWLogin)

Students with 'holds' on their accounts cannot register until 'holds' are removed from their account. See Student Success or cashier's office to remove 'holds'.

### Step 5

**Purchase books**. Books may be purchased at the LU Bookstore. Students may also purchase books online. See <http://www.lit.edu/CurrentStudent.aspx> for online bookstores.

## LIT ORIENTATION

### **Start STRONG**

Is this your first semester in college? First time at LIT? Take advantage of LIT's orientation sessions during your DORI 0200 – College of Success Skills course. During orientation, students will learn to navigate the college experience. Exact times will be shared closer to the date via Blackboard and the website [www.lit.edu](http://www.lit.edu).

## Title IX

Title IX of the Education Amendments of 1972 (Title IX) prohibits sex (gender-based) discrimination and harassment in educational programs and activities at institutions receiving federal financial funding. Students new to LIT are required to complete mandatory training that combines sexual assault and substance abuse prevention education that require students to think about the consequences of their actions. If you have questions about Title IX, contact the Title IX Coordinator at LIT at 409-839-2018 or visit our website <http://www.lit.edu/TitleIX.aspx>.

## Equal Opportunity/Disability Statement

Lamar Institute of Technology is an equal opportunity/affirmative action educational institution and employer. The Americans with Disabilities Act of 1992 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. Among other things, these statutes require that all students with documented disabilities be guaranteed a learning environment that provides for reasonable accommodations for their disabilities. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409) 839-2018 or visit the office located in the Eagles' Nest, room 129.

## Seeking Financial Assistance *TAKE THE RIGHT STEPS!*

### STUDENT FINANCIAL AID

Financial assistance in the form of grants, loans, and/or campus employment is available to qualified students. Initial qualification for awards and/or disbursements will be assessed on financial criteria determined from results of the Free Application for Federal Student Aid (FAFSA) and any required documentation. Continued eligibility is contingent on students' annual renewal of the FAFSA along with individually maintained satisfactory academic performance.

Information regarding programs, policies, rules, regulations, consumer information and eligibility criteria can be obtained from

Lamar Institute of Technology, Office of Student Financial Aid, P.O. Box 10043, Beaumont, TX 77710.

#### *Helpful Hints for Successfully Applying:*

1. Complete the **Free Application for Federal Student Aid**. Better known as the **FAFSA**, this is the starting point for **ALL** forms of assistance at LIT.
  - a. **COMPLETE THE FAFSA EARLY.** You may qualify for additional grants! The **priority deadline is January 15** for the **upcoming** academic year.
  - b. Apply online at [www.studentaid.gov](http://www.studentaid.gov). Follow instructions carefully and take advantage of helpful hints.
  - c. Use Tax Returns, W2s and ALL sources of income to complete the **FAFSA**.
  - d. Retain copies of all documents used to complete the **FAFSA**. (We may be required to collect proof of income at a later date).
2. The Financial Aid Office will notify you of additional paperwork required. Students should monitor their LIT email and "self service" account for notification.
3. If selected for **verification** (quality assurance process), you will receive an email to the address you provided on your FAFSA from Inceptia to provide copies of all income sources.

**Grants** are monies that the student does not have to pay back.

**Loans** provide assistance that a student must pay back after graduation.

**Work Study** is available for eligible students interested in working on campus.

4. Federal and state grants will be offered in 'auto-accept' status. Amounts will be prorated to correspond with student enrollment level. You **DO NOT** have to be a full-time student to be considered for aid.
5. Students interested in loans will need to accept loans on their self-service banner account. First-time borrowers will need to complete entrance counseling.

#### *How to Use My Financial Aid*

Financial aid is designed to **HELP** with college expenses. Any grants awarded or school certified loans will come to the school and be applied directly to your student account (bill).

Approved Financial Aid will be credited to your LIT student account approximately 3 – 5 days prior to the established payment deadline for a given semester. Financial aid is considered approved if you have been properly admitted, registered for classes, submitted a FAFSA, completed all campus-required forms and documentation, been awarded and accepted all appropriate financial awards.

**NOTE: First-time borrowers** should remember that the initial disbursement of any loan will be delayed until 30 days after the first class day. Make payment arrangements with Cashier's Office if this is your only source of aid.

Financial aid applicants must also be meeting **Satisfactory Academic Progress Standards**. To remain academically eligible, a potential recipient must be completing a minimum 67% of all attempted hours and have a GPA of 2.0 or better. Students on Financial Aid Probation must meet conditions of any approved appeal to maintain eligibility.

#### *What about Scholarships?*

Scholarships are **awarded to students who meet specified criteria**. A wide variety of scholarships are offered each year to students at LIT. Scholarships are funds that cover a portion of the student's educational expenses. A listing of available scholarship funds are on our website at [www.lit.edu](http://www.lit.edu).

Scholarship funds are administered by the **Scholarship Committee** and are awarded on the basis of academic

achievement, programs of study, or special skills demonstrated by students. Consideration is given to extra-curricular activities such as leadership positions, career accomplishments, or honors and awards received.

Scholarship applications are available online for each semester. **Deadlines are listed on the applications.** An academic transcript must be submitted with the scholarship application if a student wishes to be considered for award in the upcoming academic year.

Approved scholarship monies will be credited to your LIT student account approximately 3 – 5 days prior to the established payment deadline for a given semester. A scholarship is considered approved if the award has been accepted by the student and a copy of the acknowledgement (“thank you”) letter that was previously mailed to the appropriate scholarship donor(s) is either turned into the Development Office or uploaded online in the scholarship software.

## Direct Deposit

As mandated by the Texas State University System (TSUS.), in an effort to reduce costs and increase efficiency, the use of manual/paper checks has been discontinued.

**Students will be required to establish an account and/or provide banking information to LIT in order to satisfy direct deposit requirements.**

Paper checks will no longer be used to return funds to students eligible for a refund. Students will be required to receive credit balance refunds and financial aid refunds electronically via Direct Deposit to an established personal checking or savings account.

**Note:** Only after all outstanding balances have been paid will any resulting credit balance be transmitted to a Direct Deposit checking account. Direct Deposit transactions may take 3-5 business days after transmission. Students must contact LIT Cashier’s Office or their banking institution to resolve problems associated with this process.

## Paying Tuition

Tuition and fees are subject to change based on the Texas State University System, LIT policies, and/or state and federal regulations.

### Payment of Fees

A student is not registered until all fees are paid in full or the student has been approved for the installment payment plan.

## Payment Options

1. **In Person** the Cashier’s Office is located on the first floor of the Beeson Building. Regular business hours are 8 a.m. until 5 p.m., Monday through Friday.
2. **By Mail** send check or money order to the address below. You must include your Student ID number (“T” number) on your check or money order.  
**Cashier’s Office, Lamar Institute of Technology  
P.O. Box 10043, Beaumont, TX 77710**
3. **Web System** Students can pay their tuition and fees by check or credit card online through BANNER Self Service. LIT accepts American Express, VISA, Discover or MasterCard. Students may obtain an account balance(s) by going to the Lamar Institute of Technology homepage at [www.lit.edu](http://www.lit.edu). Click on the link called myLIT. Students should click Continue on *Payment Gateway*. Follow the instructions to locate your account balance and make payment.

**Warning: Be careful that you select the correct term or semester when you make a tuition payment. Do not pay for multiple terms in one term. You must, for example, pay tuition for fall by selecting the fall term. Likewise, you must pay tuition for the summer term by selecting the correct summer term or semester. Failure to correctly select the term and make payment per semester will result in the student being dropped from all classes in one or more semesters or terms.**

## Payment Amounts

**Payment in full.** Students who have paid all their tuition and fees for a semester will be registered for classes in that semester.

**More than 25% of tuition and fees paid.** Students who pay more than 25% but less than 100% of their tuition and fees for a semester **will be placed on the Installment Payment Plan**. A non-refundable service charge of \$20 will be assessed.

**Less than 25% of tuition and fees paid.** Students who pay less than 25% of their tuition and fees for a semester will be dropped from all classes.

**Installment Payment Option** Students may enter into an installment contract with the institution. **Any payments totaling at least 25% of the full balance of the account constitutes an acceptance of an installment contract with the college.** Drop and/or withdrawal refunds for students using the installment plan are calculated as a percentage of the total tuition and fees assessed, not as a percentage of any partial payments.

A non-refundable service charge of \$20 is assessed for the installment plan option. A late fee of \$15 will be assessed beginning the first day after an installment due date for each delinquent payment.

### Residence Status

Tuition is based upon the number of hours for which the student registers and is determined by the student's classification as a Texas resident, a non-resident U.S. citizen or a citizen of another country. Determination of legal residence for tuition purposes is made on the basis of statutes of the State of Texas.

### Financial Obligations

A student who fails to make full payment of tuition and fees, including any incidental fees, by the due date, will be prohibited from registering for classes until full payment is made. A student who fails to make payment prior to the end of the semester may be denied credit for the work done that semester. Also, holds will be placed on academic records so that students cannot obtain transcripts and/or receive grades. All delinquent installment accounts, NSF checks and delinquent short-term loans will be released to a collection agency/credit bureau. All costs of collection are payable by the student to the collection agency. Collection fees shall include a fee of 33 1/3 percent of the original balance due, and loans may include an additional interest charge not to exceed five percent of the balance.

### Insufficient Funds Checks

Checks written for payment of registration fees and returned due to insufficient funds will result in a \$25 check charge plus a \$10 late registration fee or a \$15 installment late penalty. Obligations paid by an insufficient funds check are considered delinquent.

## Payment Deadlines

Students are responsible for paying tuition and fees prior to the deadline date. Students may obtain account balance information on BANNER Self Service.

### Note to Financial Aid Applicants

Grants and scholarship will be credited to students' accounts 3-5 days prior to the first class day. Pell grants, other grants, and loans will be prorated according to student enrollment level. Scholarships will require

manual adjustment for students enrolled 12<sup>th</sup> Class Day. Students waiting for adjustments must make payment arrangements with the Cashier's Office prior to the first payment deadline. Short-term, interest-free loans are available for the convenience of financial aid applicants. See the Cashier's Office for additional information.

## Refunds

### Withdrawal

Withdrawal from the college does not relieve the student of any financial obligations under the Installment Payment Agreement or student loans. These are the student's legal financial commitments. Refunds will be processed in accordance with the published schedule. Withdrawal from the college must be done with an advisor in order to receive a refund. A student seeking reinstatement to the college within the same semester after having withdrawn or been withdrawn shall pay late payment fees. Students on an installment plan must also pay all past due balances at the time of reinstatement.

**For refund purposes, the first class day is always the official first class day of the semester.** Any student officially withdrawing will receive a refund on Tuition, Laboratory Fees, Student Services Fee, Student Center Fee, Recreational Center Fee, Technology Service Fee, Health Center Fee, and Library Use Fee according to the following schedule:

### Mini Semesters (May and Winter Mini)

Prior to the first class day .....	100%
(less \$15 matriculation fee)	
During class days:	
One .....	80%
Two .....	50%
After the second class day, no refunds will be given.	

### Sixteen Week Semester (Fall or Spring Semesters)

Prior to the first class day .....	100%

During class days:	
One through five.....	80%

Six through ten.....70%  
 Eleven through fifteen.....50%  
 Sixteen through twenty .....25%  
 After the twentieth class day of the semester, no  
 refunds will be given.

**Eight Week Semesters  
 (Fall 2 & 3 and Spring 2 & 3 Semesters)**

Prior to the first class day..... 100%  
 (Less \$15 matriculation fee)  
 During class days:  
 One through three .....80%  
 Four through six.....50%  
 After the sixth class day, no refunds will be given.

**Dropped Courses**

Consider carefully the courses you select. Six-Drop Rule - State law prohibits a student from dropping more than six classes in their lifetime. Dropping a class may also affect the financial aid award that you receive.

Students, excluding recipients of federal financial aid, who drop courses during the first 12 class days of the fall or spring semester or within the first four days of a summer semester and remain enrolled at LIT, will receive refunds on tuition and fees for that particular course or courses. TSUS policy requires that refunds be deposited directly into a student bank account.

**Matriculation Fee**

A matriculation fee of \$15 will be incurred by students who withdraw prior to the first day of class. This \$15 fee will be deducted from refunds.

**Senior Citizen Exemption**

Students over the 65 years old are exempted from the payment of TUITION and DESIGNATED TUITION

ONLY on a space available basis for a maximum of six (6) semester hours per term. Seniors may also audit classes on a space-available basis. Contact the Student Success Office for more information.

**Online Enrollment**

Students enrolled exclusively in online classes are not required to pay the Student Center, Health Center, and Recreational Center fee if a waiver has been requested. The student must apply for the waiver through the LIT Cashier's Office.

**Distance Education Fee**

A Distance Education Fee of \$20 per semester credit hour is assessed for online courses.

**Parking Permits**

Students parking on campus must purchase a parking permit and display the permit in their vehicle while on campus.

Parking permits must be purchased in the Cashier's Office. Students must provide a **license plate number and make of vehicle** to purchase a parking permit

**Handicap Accessible Parking Permit**

Students that need an LIT handicap accessible parking permit should see the Coordinator of Special Populations.

**Student IDs**

Students are required to have an ID while on campus. There will be a charge for the replacement of a missing student ID.

**Students receiving financial aid must meet certain academic standards to remain eligible for funding:**

- ✓ **Maintain an academic grade point average of 2.0 or better.**
- ✓ **Successfully complete at least 70% of all attempted coursework.**
- ✓ **Finish declared program of study within 150% of total required hours.**

<https://www.lit.edu/foundation/scholarships>

- ✓ **2022 Fall Applications are NOW OPEN**
- ✓ **General Application available; also, specific scholarships:**
  - **Smith-Hutson Scholarship**
  - **Edmund P. Kuempel Scholarship**
  - **and more!**

**APPLY TODAY!**

**With Starfish, faculty and staff can form closer connections with students, encourage engagement, provide more timely feedback regarding course performance, and provide opportune information on campus resources. Students can make an appointment with faculty and staff all through the Starfish home page. Students may receive emails from Starfish regarding your course grades, attendance or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise. If you have any questions about Starfish, contact [starfish@lit.edu](mailto:starfish@lit.edu) or 409-839-2043.**

<b>Fall Late Start 2022</b>	September 30, 2022

*Don't forget... The bacterial meningitis vaccine is required for new students under the age of 22!*

## SEMESTER OPTIONS

Students have an opportunity to learn by selecting from different types of instruction and different semester lengths. Pick the semester that works best for YOU!

### Traditional Semester (16 Weeks)

**August 22 – December 3, 2022**

Traditional instruction occurs in a classroom setting. Students attend class 2-3 times per week. Classroom lectures, demonstrations, and homework assignments are common in this type of class.

### Online and Hybrid Courses

The class is taught online or through a combination of classroom and online instruction. Students *must* log into the Blackboard course and communicate with the instructor before the end of the first week of class. Some online courses may require additional academic resources. Please contact the course instructor for a list of course resources and requirements. Students should have good computer skills and be very self-disciplined to be successful in online courses.

### 8-Week Semesters

**August 22 – October 14, 2022 and October 17 – December 3, 2022  
(Fall 2 and Fall 3 Semesters)**

Some classes are taught during a short, intensive eight-week semester. The class meets Monday through Thursday for eight weeks or in a hybrid format. These classes require students to attend class up to four times per week. To be successful, students must be disciplined about attending class and completing assignments. Students should be comfortable using a computer.

### Late Start Semester (12 Weeks)

**September 20 – December 3, 2022**

Several classes are scheduled to begin one month after the first day of class for the semester. Classes scheduled in the 'Late Start' semester will meet one, two or three days per week for approximately 12 weeks.

### 'JumpStart' Non - Course Based Options (4 or 16 weeks)

The 'JumpStart' semester is a non-course based option to accelerate developmental education. These subject specific courses focus on preparing students to succeed in a college-level credit course. The four week 'JumpStart' courses require students to attend classes for four weeks of intense instruction that will enable them to "jump" to college ready courses. Students who enroll in a four-week 'JumpStart' Math course must register for MATH 1332 in the 'Late Start' semester. Students who enroll in a four-week 'Jumpstart' Reading/Writing (INRW) course must register for ENGL 1301 in the 'Late Start' semester.

The 16-week 'JumpStart' courses require students to enroll in 60 minutes of instruction a week that provides information to assist them in achieving success in the college ready course. Students choosing this option should be enrolled in the appropriate college level math or English course during the same semester as the 'JumpStart' course.

*Don't forget... The bacterial meningitis vaccine is required for new students under the age of 22!*

### Online Academic Advisors

Students from a distance are provided an academic advisor from their department/program of study. This individual will serve as a single point of contact for facilitating a positive LIT Online Campus experience. Upon acceptance into a program, please contact an “Online Academic Advisor” by email at [registration@lit.edu](mailto:registration@lit.edu).

### Frequently Asked Questions...

**What skills are necessary?** If you believe you are a good candidate for online learning and want to take an online class, visit “Is Distance Learning Right for me?” at <https://www.lit.edu/online-learning/online-orientation/is-distance-learning-right-for-me>. Take the self-evaluation and learn about the skills, traits, and tips necessary for success as an online student.

**What is the difference between a Hybrid Course and an Online Course?** Instruction for a hybrid course is offered both online and on campus. The individual course syllabus will specify the campus requirement. The course may require weekly campus visit or may have an alternative schedule (e.g., once a month). An online course is offered completely online. A completely online course may still require a visit to a certified testing center within your geographical location.

**Do I get the same credit for an online course? Will an online course transfer?** Yes. The credit is the same for an online course as the credit for a class in which the student meets on campus. Online courses transfer the same as classroom sections.

**Does an online course cost more?** Does an online course cost more? There is a fee of \$20 per semester credit hour for each online course. Students registered for online courses only are not required to pay the Health Center, Recreational Center Fee, and Student Center Fee, and are granted a fee waiver by the LIT Finance Office. Other fees are the same as on campus fees.

**Does an online course take as much time as a classroom course?** The same information is taught in both types of classes. You should expect to spend as much time or more in an online course.

**How long do I have to complete an online course?** Online courses must be completed by the end of the semester, the same as an on-campus course.

**How do I register for classes through Self-Serve Banner if there is a “hold” on my account?** You will need to contact your assigned online academic advisor. If you do not have an assigned online academic advisor, send an email to [registration@lit.edu](mailto:registration@lit.edu).

**Where can I turn for help with my online courses?** Always contact your instructor first. Don't be afraid to ask for help. Your instructor can assist you directly or suggest additional assistance.

For Blackboard Support, contact the Blackboard Help Desk at 409-951-5701 or [Lit-BBsupport@lit.edu](mailto:Lit-BBsupport@lit.edu). For campus technology (MyLIT, MS Office 365 support) contact the LIT Helpdesk ([helpdesk@lit.edu](mailto:helpdesk@lit.edu), 409-839- 2074, 1-800-880-8321). For non-technical support, contact your online academic advisor ([registration@lit.edu](mailto:registration@lit.edu)).

**Does LIT have WiFi?** LIT has WiFi! There are several ‘hot’ spots on campus that LIT students can access the internet. Students may access wifi in all of our buildings and our Eagles’ Nest parking lot is a ‘hot’ spot.

Blackboard

Blackboard is the Learning Management System used by LIT for online learning.

Users connecting to the Blackboard server must have access to a high speed Internet connection.

For additional technology requirements:

1. Visit the Blackboard Website: Supported Browsers & Operating Systems:

[https://help.blackboard.com/Learn/Student/Getting\\_Started/Browser\\_Support](https://help.blackboard.com/Learn/Student/Getting_Started/Browser_Support)

2. Review the syllabus for the specific course of interest.

<https://www.lit.edu/syllabi>

For Blackboard Support, contact the Blackboard helpdesk at [Lit-BBsupport@lit.edu](mailto:Lit-BBsupport@lit.edu) or (409) 951-5701.
