Industrial Processes (PTAC 1354)

Credit: 3 semester credit hours (3 hours lecture)

Prerequisite/Co-requisite: PTAC 2420 and SCIT 1494

Course Description
The study of the common types of industrial processes. Types of commercial processes will be explored and demonstrated.

Required Textbook and Materials
   a. ISBN number is 978-1-59370-158-1
2. Oil & Gas Production Handbook, free online textbook  
   a. https://library.e.abb.com/public/34d5b70e18f7d6c8c1257be500438ac3/Oil%20and%20gas%20production%20handbook%20ed3x0_web.pdf

Course Objectives
Upon completion of this course, the student will be able to:
1. Describe processes and operations typical to the processing industry.

Course Outline
A. Oil & Gas Production  
   1. Introduction  
   2. Exploration  
   3. Production  
   4. Upstream Process Sections  
   5. Midstream

B. Petroleum Refining  
   1. The Evolution of Petroleum Products  
   2. From the Oil patch to the refinery  
   3. Crude Oil Characteristics  
   4. Distilling  
   5. Vacuum Flashing

   6. The Chemistry of Petroleum  
   7. Refinery Gas Plants  
   8. Cat Cracking  
   9. Alkylation  
   10. Catalytic Reforming  
   11. Hydrocracking  
   12. Isomerization  
   13. Residue Reduction  
   14. Gasoline  
   15. Distillate and Residual Fuels  
   16. Ethylene Plants  
   17. Solvent Recovery of Aromatics

Grade Scale
90 – 100  A  
80 – 89  B  
70 – 79  C  
60 – 69  D  
0 – 59  F
PTAC 1354
Course Syllabus

Course Evaluation
Final grades will be calculated according to the following criteria:

- Assignments: 10%
- Test: 50%
- Final Exam: 40%

Course Requirements
1. Calculate temperature conversions
2. Calculate Specific and API gravities
3. Demonstrate knowledge of Upstream, Refinery and Chemical plant processes
4. Explain requirements for gasoline, jet fuel and diesel engines.

Attendance Policy
1. Missing more than 20% of classes will result in an automatic “F” for the course.
2. Absences are counted for unexcused, excused and coming to class late.
3. Missing more than 20% of a class period will count as an absence.
4. Being tardy 2 times equals 1 absence.

Course Policies
1. No food, drinks, or use of tobacco products in class.
2. Beepers, telephones, headphones, and other electronic devices must be turned off while in class.
3. Do not bring children to class.
4. Assignments submitted late will be reduced 10 points each day.
5. If a test is missed due to an emergency situation, the student will have one week to make it up; otherwise a grade of 0 will be assigned. Students are responsible for scheduling the make-up date.
6. No cheating of any kind will be tolerated. Students caught cheating or helping someone to cheat can and will be removed from the class for the semester. Cheating can result in expulsion from LIT.
7. A student who wishes to drop a course is responsible for initiating and completing the drop process. A student who stops coming to class, and fails to drop the course, will earn an “F” in the course.

Technical Requirements
The latest technical requirements, including hardware, compatible browsers, operating systems, software, Java, etc. can be found online at:
https://help.blackboard.com/en-us/Learn/9.1_SP_14/Student/015_Browser_Support/010_Browser_Support_SP_14

Approved 6/2015
A functional internet connection, such as DSL, cable, or WiFi is necessary to maximize the use of the online technology and resources.

**Student Code of Conduct Statement**
It is the responsibility of all registered Lamar Institute of Technology students to access, read, understand and abide by all published policies, regulations, and procedures listed in the LIT Catalog and Student Handbook. The LIT Catalog and Student Handbook may be accessed at [www.lit.edu](http://www.lit.edu) or obtained in print upon request at the Student Services Office.

**Disabilities Statement**
The Americans with Disabilities Act of 1992 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. Among other things, these statutes require that all students with documented disabilities be guaranteed a learning environment that provides for reasonable accommodations for their disabilities. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409) 880-1737 or visit the office in Student Services, Cecil Beeson Building. [http://www.lit.edu/depts/stuserv/special/default.aspx](http://www.lit.edu/depts/stuserv/special/default.aspx)
