ARTIFICIAL INTELLIGENCE STATEMENT

Lamar Institute of Technology (LIT) recognizes the recent advances in Artificial Intelligence (AI), such as ChatGPT, have changed the landscape of many career disciplines and will impact many students in and out of the classroom. To prepare students for their selected careers, LIT desires to guide students in the ethical use of these technologies and incorporate AI into classroom instruction and assignments appropriately. Appropriate use of these technologies is at the discretion of the instructor. Students are reminded that all submitted work must be their own original work unless otherwise specified. Students should contact their instructor with any questions as to the acceptable use of AI/ChatGPT in their courses.

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

ADDITIONAL COURSE POLICIES/INFORMATION

1. **QUIZZES**: Students will take quizzes **online**. There are two types of quizzes: **primary source reading quizzes** and **lecture review quizzes**.

a. **Primary source reading quizzes**: These quizzes are worth **10 points each**, unless otherwise noted. These quizzes are based on the information the student reads from the **primary source readings**, as scheduled.

b. **Lecture review quizzes**: These quizzes are worth 10 points each, unless otherwise noted. These quizzes are to test the student's **knowledge over lecture material** and serve as a review for the class.

c. Students that miss assignments (like quizzes) cannot make up the assignment unless the student had a documented sickness or a documented school-related absence. The student must receive **permission** from the instructor to makeup a missed assignment by emailing the instructor.

d. Any student **caught cheating on a quiz will receive a zero for that quiz**. For online classes, cheating includes **using information found online**, like Wikipedia or other similar sites. The student should only use information within the course to keep grading fair.

e. Quizzes will be graded within a week of their submission.

2. **EXAMS**: study material for the exams will come primarily from the **recorded lectures**, as well as the material that students read in the **primary source documents**. Exams are worth **100 points total**.

a. Students that miss a test are only allowed to make up the exam if the student has an **unavoidable emergency**. The student **must contact the instructor** as soon as possible to schedule a make-up exam.

b. Any student **caught cheating on an exam will receive a zero on that exam**. Cheating on an exam includes using internet sources like Wikipedia (and others) to answer questions. **DO NOT USE WIKIPEDIA TO STUDY FOR THE EXAM**. Students should only use class materials to study and prepare for the exams and quizzes to keep grading fair.

c. Exams will be graded within a week of their submission.

3. **PREWRITING ASSIGNMENT AND FINAL CULTURAL ARTIFACT ASSIGNMENT**: Students will turn in their Prewriting Assignment and their final submission for the Cultural Artifact Assignment to Blackboard on the due date scheduled (or earlier). Students are **required** to check the "SafeAssign" box so that their assignment is checked for **plagiarism** through the online software.

a. There is a **list of approved films in the "Cultural Artifact" assignment folder** for the class. The student gets to pick **ONE** film out of the given options that they want to watch for the assignment. If a student has a film they would like to pick that isn't on the approved list, it must be first approved by the instructor. There are two assignments that must be completed: a **prewriting assignment** and then the **final submission of the assignment**. The Prewriting Assignment is **not** a typical rough draft of your final paper. It is a question-and-answer assignment.

b. Students **can** submit their assignment **late**; however, there is a **10-point deduction for each 24-hour day that the assignment is turned in late** (this includes weekends). **The instructor will not accept the Cultural Artifact assignment after 3 days past the due date**. Students will receive a **zero** for the assignment if they do not turn it in.

c. **Plagiarism** will not be tolerated. All assignments are checked for plagiarism, which includes: not properly citing quotes from the book, slightly changing the words of sentences that are not the intellectual property of the student, copying a previous student's assignment, or improperly using sources from the internet (such as prompting AI engines to create a paper). **If the student plagiarizes on the Cultural Artifact assignment, the student will receive a zero for the assignment.** The online software will show some plagiarism on the assignment, especially if you use quotes from the film and another source. Just make sure you are properly citing the quote in accordance with Chicago style.

d. The Prewriting Assignment and Final Cultural Artifact Assignment will be graded within a **week** of their submission.

e. The student **must** complete the Final Cultural Artifact assignment to pass the course. If a student completes all other work yet does not turn in the final cultural artifact assignment, the student will receive an "F" in the course.

4. **COMMUNICATION WITH STUDENTS**: The instructor will reply to all appropriate forms of communication (e-mails and Blackboard messages) within a 24-hour period on weekdays and a 48-hour period on weekends/holidays. Students should be professional and include their name and class number/section when contacting their instructor. The easiest/fastest way to get into contact with this instructor is through email as Blackboard messages tend to get lost in the shuffle.
