ACADEMIC DISHONESTY

Students found to be committing academic dishonesty (cheating, plagiarism, or collusion) may receive disciplinary action. Students need to familiarize themselves with the institution's Academic Dishonesty Policy available in the Student Catalog & Handbook at <http://catalog.lit.edu/content.php?catoid=3&navoid=80#academic-dishonesty>.

TECHNICAL REQUIREMENTS

The latest technical requirements, including hardware, compatible browsers, operating systems, etc. can be online at <https://lit.edu/online-learning/online-learning-minimum-computer-requirements>. A functional broadband internet connection, such as DSL, cable, or WiFi is necessary to maximize the use of online technology and resources.

DISABILITIES STATEMENT

The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. LIT provides reasonable accommodations as defined in the Rehabilitation Act of 1973, Section 504 and the Americans with Disabilities Act of 1990, to students with a diagnosed disability. The Special Populations Office is located in the Eagles' Nest Room 129 and helps foster a supportive and inclusive educational environment by maintaining partnerships with faculty and staff, as well as promoting awareness among all members of the Lamar Institute of Technology community. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409)-951-5708 or email specialpopulations@lit.edu. You may also visit the online resource at [Special Populations - Lamar Institute of Technology \(lit.edu\)](#).

STUDENT CODE OF CONDUCT STATEMENT

It is the responsibility of all registered Lamar Institute of Technology students to access, read, understand and abide by all published policies, regulations, and procedures listed in the *LIT Catalog and Student Handbook*. The *LIT Catalog and Student Handbook* may be accessed at

www.lit.edu. Please note that the online version of the *LIT Catalog and Student Handbook* supersedes all other versions of the same document.

ARTIFICIAL INTELLIGENCE STATEMENT

Lamar Institute of Technology (LIT) recognizes the recent advances in Artificial Intelligence (AI), such as ChatGPT, have changed the landscape of many career disciplines and will impact many students in and out of the classroom. To prepare students for their selected careers, LIT desires to guide students in the ethical use of these technologies and incorporate AI into classroom instruction and assignments appropriately. Appropriate use of these technologies is at the discretion of the instructor. Students are reminded that all submitted work must be their own original work unless otherwise specified. Students should contact their instructor with any questions as to the acceptable use of AI/ChatGPT in their courses

STARFISH

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

ADDITIONAL COURSE POLICIES/INFORMATION

Due dates are subject to change.

I do not allow students to retake/redo assignments.

Communication: I will respond to e-mails within 24 hours during the week and within 48 hours over the weekend. Typically, I will only respond to e-mails during my office hours.

Grading: I try to return assignments within one week of the due date. This is a target, not a promise, and in a writing-intensive course such as this, sometimes grading takes longer. If you have any questions or concerns about the pace of grading, please contact your instructor directly.

Special Populations: If a student requires accommodations while on LIT campus, they must contact Jarmarcus Corks in the Special Populations office in Student Services. If a dual credit student has accommodations through their school's special populations office, they must still contact LIT's Special Populations office at specialpopulations@lit.edu.

Electronics Policy: Students cannot use electronic devices such as cell phones, laptops, AirPods, or any other distracting devices in the classroom, *unless at my discretion*. If a student needs an electronic device for accommodations in class, they should contact the Special Populations

office at LIT. Unless I allow students to use their devices, devices will stay in backpacks, not pockets, until the end of class.

Plagiarism/Cheating: Academic Dishonesty is a crime that Lamar Institute of Technology and I take seriously. Most colleges expel cheating students. Examples of academic dishonesty include but are not limited to:

- Directly copying a source into an essay without citing the original source.
- Paraphrasing a source without citing the original source.
- Paying someone to complete an assignment, having a friend or family member complete an assignment, or using Artificial Intelligence to write a paper. If a paper has a student's name on it, I expect to see that student's work.
- Making minor changes to an original source while still retaining up to 75% of the structure of the sentence.
- Taking a quiz or test with another student, giving the answers to a quiz or test to another student, or **Googling the answers to the quiz or test**. My quizzes are not open-book quizzes. Students are only allowed the notes they have taken over an assignment during a quiz.

How to Know If Something Is Not Plagiarism: Generally, plagiarism only covers things that are not general knowledge. If a student makes the claim that the sky is blue, then they do not have to cite where they got that information because it is something that 90% of the world already knows. However, if a student describes *why* the sky is blue, they must cite their source since that is not common knowledge.

How to Avoid Plagiarism: First, students should practice good paraphrasing and rewrite sentences *in their own words*. Part of the course will be discussions, assignments, and videos over good paraphrasing. Also, when students turn in their assignments, they should get a visible score from SafeAssign. SafeAssign is not perfect, and I have found plagiarism in papers with as low as a 10% score. If SafeAssign flags a paper as plagiarized, a student should rewrite and resubmit the paper until the percentage 25% or less.

Late Work: If a student turns in their work late, they will get a zero. Once an assignment is turned in late, it cannot be redone or resubmitted. It is important that students not get behind in a class. Typically, if a student gets in the habit of turning in all assignments within the first three weeks, they can build that habit for the rest of the class.

Make-Up Work: I can make accommodations on deadlines for extenuating circumstances (family emergencies, sickness, mental health, chronic health issues, etc.) However, communication is necessary in these circumstances. **I need to know at least three days before**

a deadline if a student cannot complete an assignment on time. The new deadline will be three days after original deadline. If a student asks for more time on an assignment the day before or the day it is due, I will not respond to their e-mail. Absolutely no late work will be accepted after the last day of class.

Diversity and Inclusion: LIT wishes to create a safe and understanding environment for students of all genders, ethnicities, religions, sexualities, and backgrounds. Literature in particular is a landscape full of authors with various personalities and cultures. I personally embrace diversity of thought and opinions. In class discussions, I want to be sure that everyone has the chance to voice their thoughts on a matter without unnecessary judgment. However, slurs or jokes pointed at minority groups are unacceptable, even if the student is a member of that group. I expect all students to treat each other and themselves with respect in my classroom. Students will read works that are challenging and controversial in this class. Please ensure classroom conversation remains civil.

COVID-19 Requirements: LIT no longer requires masks in the classroom. However, you are still allowed to wear a mask if it makes you feel comfortable. If you receive a positive COVID test, please do not come to class. Instead, send me an e-mail/phone call/text, and I will do what I can to ensure you have access to daily lectures and assignments.
