## COURSE EVALUATION

Final grades will be calculated according to the following criteria:

- (5) Exams.....50%
- Assignments/Quizzes.....30%
- (1) Core Assessment.....20%

#### **GRADE SCALE**

- 90-100 A
- 80-89 B
- 70-79 C
- 60-69 D
- 0-59 F

#### **TECHNICAL REQUIREMENTS**

For the latest technical requirements, including hardware, compatible browsers, operating systems, etc., review the Minimum Computer and Equipment Requirements on the [LIT Online Experience](#) page. A functional broadband internet connection, such as DSL, cable, or WiFi is necessary to maximize the use of online technology and resources

#### **DISABILITIES STATEMENT**

The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. LIT provides reasonable accommodations as defined in the Rehabilitation Act of 1973, Section 504 and the Americans with Disabilities Act of 1990, to students with a diagnosed disability. The Special Populations Office is located in the Eagles' Nest Room 129 and helps foster a supportive and inclusive educational environment by maintaining partnerships with faculty and staff, as well as promoting awareness among all members of the Lamar Institute of Technology community. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409)-951-5708 or email [specialpopulations@lit.edu](mailto:specialpopulations@lit.edu). You may also visit the online resource at [Special Populations - Lamar Institute of Technology \(lit.edu\)](#).

#### **STUDENT CODE OF CONDUCT STATEMENT**

It is the responsibility of all registered Lamar Institute of Technology students to access, read, understand and abide by all published policies, regulations, and procedures listed in the *LIT Catalog and Student Handbook*. The *LIT Catalog and Student Handbook* may be accessed at [www.lit.edu](http://www.lit.edu). Please note that the online version of the *LIT Catalog and Student Handbook* supersedes all other versions of the same document.

#### **ARTIFICIAL INTELLIGENCE STATEMENT**

Lamar Institute of Technology (LIT) recognizes the recent advances in Artificial Intelligence (AI), such as ChatGPT, have changed the landscape of many career disciplines and will impact many students in and out of the classroom. To prepare students for their selected careers, LIT desires to guide students in the ethical use of these technologies and incorporate AI into classroom instruction and assignments appropriately. Appropriate use of these technologies is at the discretion of the instructor. Students are reminded that all submitted work must be their own original work unless otherwise specified. Students should contact their instructor with any questions as to the acceptable use of AI/ChatGPT in their courses. In this course students cannot use AI to complete assignments. I will use ZeroGPT to identify AI submitted assignments. Failure to follow this policy will result in a ZERO on your assignment and being reported for Plagiarism.

### **STARFISH**

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

### **ADDITIONAL COURSE POLICIES/INFORMATION**

Respectful participation in class discussions is expected. At times, students may have differing viewpoints from those of their classmates. Disagreements lead to critical thinking, scholarly debates, and learning, however, disrespect for the opinions of others will not be tolerated.

---

### **ACADEMIC DISHONESTY**

Students found to be committing academic dishonesty (cheating, plagiarism, or collusion) may receive disciplinary action. Students need to familiarize themselves with the institution's Academic Dishonesty Policy available in the Student Catalog & Handbook.

### **Discussion Topics**

There must be one original substantive post (200 words) AND at least two substantive replies to your classmates' posts (100 words each post) for each graded forum. Correct grammar, capitalization, punctuation, and complete sentences must be used.

The discussion forum grade will be based on points assigned to measure the quality of both the original post and the two response posts. Anything less than 200 words on your original post and anything less than 100 words on your replies, will receive a zero.

No Discussions will be accepted after the deadline!

The same criterion is used in grading your *response posts to your classmates' discussion posts*. Response posts must contribute something new to the discussion to earn points. In other words, a response consisting solely of "Good post, (classmate's name)!" will receive zero points. The discussion forum topics will correlate with the reading topics we are covering in the course. The professor views online discussion forums as the equivalent of on-campus classroom discussions, and carefully reads every post to evaluate the quality of its contents. You should therefore make sure to read the assigned material on the forum topic BEFORE submitting your posts.

### **Attendance Policy**

Many of my classes and students are completely online, or Dual Credit/Dual Enrollment Students. As such, it is important that you show activity in Blackboard so that I know you are staying up to date on the course. You need to get into the habit of logging into blackboard no less than 4-5 times a week on different days. Any student who goes more than 5 days without some kind of Blackboard activity should expect an email from me.

### **Late Policy**

I DO NOT ACCEPT LATE WORK! If any work is late, you will receive a zero. If you have a documented medical emergency on the day of the assignment deadline, I may consider allowing you to complete the missed assignments once a review the medical documentation.

### **Extra Credit**

I do not give bumps at the end of the semester. This means if you have an 89.999999% you have a B. I DO NOT GIVE EXTRA CREDIT! If you complete the "Original Credit" there is no need for "Extra Credit".
