Course Evaluation
Final grades will be calculated according to the following criteria:

1. Skills Performance Sheet  80%
2. Affective Evaluation 20%

Course Policies
1. Attendance Policy. Three absences are allowed. If a student is tardy to class or departs early three (2) times, it will be equal to one (1) absence. Each absence beyond three absences will result in a 5 point deduction from your final grade.
2. If you wish to drop a course, the student is responsible for initiating and completing the drop process. If you stop coming to class and fail to drop the course, you will earn an ‘F’ in the course.
3. See specific course policies in the EMS Program Student Handbook.
4. Lab Skill Sheets
   a. Each specific lab skill sheet will be assigned a minimal points required to pass the specific skill.
   b. Each specific lab skill sheet will be assigned “Critical Criteria” which must be met in order to pass the skill.
5. All lab skills are required to be passed the number of times assigned to each specific lab skill.
   - Individual Student Competency Evaluation in the Laboratory
     o Lab skills are assigned a minimal number of times that the lab skill must be performed successfully while being evaluated by peers (P2P), and while being evaluated by lab instructors.
• Individual Student Competency Evaluation in a laboratory Scenario.
  o Lab skills are assigned a minimal number of times that the skill will be
    performed successfully in a scenario designed for that skill.
