ATTENDANCE POLICY

Students are allowed three absences for the semester and will then have absences excused on a case by case basis. Unexcused absences will result in the loss of 5 points from the final grade for each additional absence over three. Your attendance record will be regularly recorded in Starfish so that you can log in and check it throughout the semester. I know that there are a lot of reasons why students might need to miss this semester. The key here is to communicate with me if you have to be out more than three days. I will excuse additional absences on a case by case basis. If I don't hear from you, additional absences will be unexcused and will count against your final grade.

DROP POLICY

If you wish to drop a course, you are responsible for initiating and completing the drop process by the specified drop date as listed on the [Academic Calendar](#). If you stop coming to class and fail to drop the course, you will earn an "F" in the course.

STUDENT EXPECTED TIME REQUIREMENT

For every hour in class (or unit of credit), students should expect to spend at least two to three hours per week studying and completing assignments. For a 3-credit-hour class, students should prepare to allocate approximately six to nine hours per week outside of class in a 16-week session OR approximately twelve to eighteen hours in an 8-week session. Online/Hybrid students should expect to spend at least as much time in this course as in the traditional, face-to-face class.

The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. LIT provides reasonable accommodations as defined in the Rehabilitation Act of 1973, Section 504 and the Americans with Disabilities Act of 1990, to students with a diagnosed disability. The Special Populations Office is located in the Eagles' Nest Room 129 and helps foster a supportive and inclusive educational environment by maintaining partnerships with faculty and staff, as well as promoting awareness among all members of the Lamar Institute of Technology community. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409)-951-5708 or email specialpopulations@lit.edu. STARFISH

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

ADDITIONAL COURSE POLICIES/INFORMATION

Respectful participation in class discussions is expected. At times, students may have differing viewpoints from those of their classmates. Disagreements lead to critical thinking, scholarly debates, and learning, however, disrespect for the opinions of others will not be tolerated.

Habitual tardiness exhibits a lack of consideration for others because it is disruptive, therefore students will receive one absence after three tardies, and this process will be repeated for every three late appearances to class.

You are expected to take care of restroom needs before class. If you must go in the middle of class, just go, however, **regularly** getting up to leave in the middle of class will result in you being counted absent.

Being tardy on exam day may result in your not being allowed to take the exam.
