INSTRUCTOR CONTACT INFORMATION
Instructor: Dr. Connie Grass, DC, BSHB, BSN
Email: cigrass@lit.edu
Office Phone: 409-247-4863
Office Location: MPC 217
Office Hours: Monday-Friday 10:00 AM-12:00 PM (by appointment)

CREDIT: 1 semester credit hour

MODE OF INSTRUCTION
Online

PREREQUISITE/CO-REQUISITE:
Pre-requisite BIOL 2101. And passed the Reading/Writing Sections of THEA or any other accepted test/
Co-requisite BIOL 2302.

COURSE DESCRIPTION
Study of the structure and function of human anatomy, including the neuroendocrine, integumentary,
musculoskeletal, digestive, urinary, reproductive, respiratory, and circulatory systems. Content may be
either integrated or specialized.

LEARNING OUTCOMES
Upon successful completion of this course, students will:
Apply appropriate safety and ethical standards.
Locate and identify anatomical structures.
Appropriately utilize laboratory equipment, such as microscopes, dissection tools, general lab
ware, physiology data acquisition systems, and virtual simulations.
Work collaboratively to perform experiments.
Demonstrate the steps involved in the scientific method.
Communicate results of scientific investigations, analyze data and formulate conclusions.
Use critical thinking and scientific problem-solving skills, including, but not limited to, inferring,
integrating. Synthesizing, and summarizing, to make decisions, recommendations, and
predictions.
COURSE OBJECTIVES
Upon completion of this course, the student will be able to
Upon completion of this course, the student will be able to:
1. Know and identify the parts of the endocrine system.
2. Know and identify the parts of the circulatory system.
3. Know and identify the parts of the lymphatic system.
4. Know and identify the organs important in the immune system.
5. Know and identify the parts of the respiratory system.
6. Know and identify the parts of the digestive system.
7. Identify items important in nutrition and metabolism.
8. Know and identify the parts of the urinary system.
9. Identify what is important in fluid electrolyte and acid-base balance.
10. Know and identify the parts of the reproductive system.

Core Objectives
1. Critical Thinking Skills: To include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information
2. Communication Skills: To include effective development, interpretation and expression of ideas through written, oral, and visual communication
3. Empirical & Quantitative Skills: To include the manipulation and analysis of numerical data or observable facts resulting in informed conclusion
4. Teamwork: To include the ability to connect choices, actions, and consequences to ethical decision-making
5. Personal Responsibility: To include ability to connect choices, actions and consequences to ethical decision-making

Course Outline
A. Chap 15 Endocrine
   1. Structures
   2. Functions
   3. Diagnose different diseases
B. Chap 16 Blood
   1. Types of blood cells
   2. Solve a crime based on a blood type
C. Chap 17 The Cardiovascular System: The Heart
   1. Structures
   2. Functions
   3. Blood Flow
   4. Electrical Conduction
   5. Deduce what is wrong with a patient’s heart by the ECG strip
D. Chap 18 The Cardiovascular System: Blood Vessels
   1. Name the major arteries on a model
   2. Name the major veins on a model
   3. Demonstrate how to take blood pressure with a sphygmomanometer
E. Chap 19 The Lymphatic System
1. Structures
2. Functions
3. Diseases

F. Chap 21 The Respiratory System
   1. Structures
   2. Functions
   3. Use a spirometer to measure your lung capacity

G. Chap 22 The Digestive System
   1. Structures
   2. Functions
   3. Analyze a victim’s last meal by running forensic tests

H. Chap 23 Nutrition, Metabolism, and Body Temperature Regulation
   1. Current nutritional trends
   2. Problems
   3. Reading labels

I. Chap 24 The Urinary System
   1. Structures
   2. Functions
   3. Diagnose what is wrong with various patients by their urine samples

J. Chap 25 Fluid, Electrolyte, and Acid-Base Balance
   1. Fluid balance
   2. Role of the brain
   3. Are all sports drinks the same

K. Chap 26 The Reproductive System
   1. Structures
   2. Functions

REQUIRED TEXTBOOK AND MATERIALS
REQUIRED = Textbook - OpexStax Anatomy & Physiology Levels I and II -
https://openstax.org/details/books/anatomy-and-physiology
REQUIRED = WILK-BLASZCZAK https://shsu.blackboard.com/bbcswebdav/pid-5055087-dtcontent-rid-107840795_1/xid-107840795_1
Your textbook for this class is available for free online. If you prefer, you can also get a print version at a very low cost. Your book is available in web view and PDF for free. You can also choose to purchase on iBooks or get a print version via the campus bookstore or from OpenStax on Amazon.com.
You can use whichever format you want. Web view is recommended -- the responsive design works seamlessly on any device. If you buy on Amazon, make sure you use the link on your book page on openstax.org so you get the official OpenStax print version. (Simple printouts sold by third parties on Amazon are not verifiable and not as high-quality.) Anatomy and Physiology from OpenStax, Print ISBN 1938168135, Digital ISBN 1947172042, www.openstax.org/details/anatomy-and-physiology.
Supplemental = Textbook - WikiBooks – Human Physiology
https://en.wikibooks.org/wiki/Human_Phylosiology

ATTENDANCE POLICY
1. You must log into Blackboard and access this course a minimum of 3 times per week.
2. Cheating of any type will not be tolerated.
3. Late assignments will not be accepted. Students will receive a zero for assignments not completed.
4. If you wish to drop this course, you must drop it administratively. If you do not drop you will receive an F for the course.

5. Internet usage- students are to use proper netiquette when participating in course email, assignment submissions and online discussions. Arizona State University = https://asuonline.asu.edu/newsroom/online-learningtips/netiquette-online-students/ Seth Ross = http://www.albion.com/netiquette/corerules.html
   The University of Texas at El Paso = https://www.utep.edu/extendeduniversity/utepconnect/blog/october-2017/10-rules-ofnetiquette-for-students.htm

**DROP POLICY**
If you wish to drop a course, you are responsible for initiating and completing the drop process by the specified drop date as listed on the Academic Calendar. If you stop coming to class and fail to drop the course, you will earn an “F” in the course.

**STUDENT EXPECTED TIME REQUIREMENT**
For every hour in class (or unit of credit), students should expect to spend at least two to three hours per week studying and completing assignments. For a 3-credit-hour class, students should prepare to allocate approximately six to nine hours per week outside of class in a 16-week session OR approximately twelve to eighteen hours in an 8-week session. Online/Hybrid students should expect to spend at least as much time in this course as in the traditional, face-to-face class.

**Weekly Checklist**
**BIOL 2102 (Lab) - Spring 2023 2nd Eight Weeks**
**March 20th – May 6th 2023 (Last Class Day)**

COURSE EVALUATION
Final grades will be calculated according to the following criteria:
1. Mandatory Course Syllabus Quiz = 5%
2. Interactive Lab Activities (5) = 25%
3. Quizzes MGH = 20%
4. Mandatory Group Lab Project = 20%
5. Midterm and Final Exam = 30%

Total = 100%

GRADING SCALE
90-100 = A
80-89 = B
70-79 = C
60-69 = D
0 – 59 = F

ACADEMIC DISHONESTY
Students found to be committing academic dishonesty (cheating, plagiarism, or collusion) may receive disciplinary action. Students need to familiarize themselves with the institution’s Academic Dishonesty Policy available in the Student Catalog & Handbook at http://catalog.lit.edu/content.php?catoid=3&navoid=80#academic-dishonesty.

TECHNICAL REQUIREMENTS
The latest technical requirements, including hardware, compatible browsers, operating systems, etc. can be online at https://lit.edu/online-learning/online-learning-minimum-computer-requirements. A functional broadband internet connection, such as DSL, cable, or WiFi is necessary to maximize the use of online technology and resources.
DISABILITIES STATEMENT
The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. LIT provides reasonable accommodations as defined in the Rehabilitation Act of 1973, Section 504 and the Americans with Disabilities Act of 1990, to students with a diagnosed disability. The Special Populations Office is located in the Eagles’ Nest Room 129 and helps foster a supportive and inclusive educational environment by maintaining partnerships with faculty and staff, as well as promoting awareness among all members of the Lamar Institute of Technology community. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409)-951-5708 or email specialpopulations@lit.edu. You may also visit the online resource at Special Populations - Lamar Institute of Technology (lit.edu).

STUDENT CODE OF CONDUCT STATEMENT
It is the responsibility of all registered Lamar Institute of Technology students to access, read, understand and abide by all published policies, regulations, and procedures listed in the LIT Catalog and Student Handbook. The LIT Catalog and Student Handbook may be accessed at www.lit.edu. Please note that the online version of the LIT Catalog and Student Handbook supersedes all other versions of the same document.

STARFISH
LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish homepage. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

ADDITIONAL COURSE POLICIES/INFORMATION
1. Cheating of any type will not be tolerated.
2. Late assignments will not be accepted. Students will receive a zero for assignments not completed.
3. Internet usage- students are to use proper netiquette when participating in course email, assignment submissions and online discussions.
