COURSE TITLE  (Basic Electrical Systems (DEMR 1305 6A1)

CREDIT
3  Semester Credit Hours (3 hours lecture, 1 hour Lab)

MODE OF INSTRUCTION
Face to Face

PREREQUISITE/CO-REQUISITE:
None

COURSE DESCRIPTION
Basic principles of electrical systems of diesel powered equipment with emphasis on starters, alternators, and batteries

COURSE OBJECTIVES
Upon completion of this course, the student will be able to

1. Understand electrical safety and precaution when working with electricity.
2) Explain basic electrical principles.
3) Take appropriate preventive maintenance measures and solves problems in the use and operation of equipment.
4) Explain basic circuit laws.
5) Describe proper use of electrical test equipment

INSTRUCTOR CONTACT INFORMATION
Instructor: Pete Matak III
Email: pmatak@lit.edu
Office Phone: 409 247 5058
Office Location: ITC-2 104
Office Hours: Monday / Wednesday 1:30 – 2:30 pm during semester

REQUIRED TEXTBOOK AND MATERIALS
1. Electronics and Electrical Systems Fundamentals of Service
Author: Deere and Company
2. Diesel Technology Fundamentals, Service, Repair
   Author: Norman, Corinchock, Scharff
   Publisher: Goodheart and Willcox Company, Inc.
   ISBN # 978-1-64564-685-3  9th edition *

3. Diesel Technology Workbook Fundamentals, Service, Repair
   Author: Norman, Corinchock, Scharff
   Publisher: Goodheart and Willcox Company, Inc
   ISBN # 978-1-64564-686-0  9th edition *

4. Notebook and 8.5” x 11” notebook paper

5. Blue and Black ink pens

ATTENDANCE POLICY
1. Missing more than 20% of classes will result in an automatic “F” for the course.
2. Absences are counted for unexcused, excused and coming to class late.
3. Missing more than 20% of a class period will count as an absence.
4. Being tardy 3 times equals 1 absence.

DROP POLICY
If you wish to drop a course, you are responsible for initiating and completing the drop process. If you stop coming to class and fail to drop the course, you will earn an “F” in the course.

</table>

**COURSE EVALUATION**

Final grades will be calculated according to the following criteria:
Daily work, quizzes, and homework assignment. 45%
Test over Lecture and Chapters 30%
Outside assignment or class participation. 5%
Final Exam 20%
Total 100%

GRADE SCALE
• 90-100 A
• 80-89.9 B
• 70-79.9 C
• 60-69.9 D
• 0-59.9 F

TECHNICAL REQUIREMENTS
The latest technical requirements, including hardware, compatible browsers, operating systems, etc. can be online at https://lit.edu/online-learning/online-learning-minimum-computer-requirements. A functional broadband internet connection, such as DSL, cable, or WiFi is necessary to maximize the use of online technology and resources.

DISABILITIES STATEMENT
The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. LIT provides reasonable accommodations as defined in the Rehabilitation Act of 1973, Section 504 and the Americans with Disabilities Act of 1990, to students with a diagnosed disability. The Special Populations Office is located in the Eagles’ Nest Room 129 and helps foster a supportive and inclusive educational environment by maintaining partnerships with faculty and staff, as well as promoting awareness among all members of the Lamar Institute of Technology community. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409)-951-5708 or email specialpopulations@lit.edu. You may also visit the online resource at Special Populations - Lamar Institute of Technology (lit.edu).

STUDENT CODE OF CONDUCT STATEMENT
It is the responsibility of all registered Lamar Institute of Technology students to access, read, understand and abide by all published policies, regulations, and procedures listed in the LIT Catalog and Student Handbook. The LIT Catalog and Student Handbook may be accessed at
STARFISH
LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

ADDITIONAL COURSE POLICIES/INFORMATION
1. **No Cell Phone** or **Electronic Devices** allowed in class, unless it is known to the instructor, for a special reasoning.

   *All cell phones must be turned off and put away. Text messaging during class time will not be tolerated. Text messaging during an exam will be considered academic dishonesty. The exam will be considered over and the student will receive a zero for the exam.*

2. **No** smoking or use of any **tobacco** products allowed

3. Do not bring any **food** or **drinks** in class

4. No visitor allowed in class including children

5. **Do not disturb lecture for any reason. If you must leave class or come in late, do so without disturbing class.**

6. **DRESS CODE:** Proper work attire only, **NO Open shoes, Short pants, low riding, or sleeveless shirts**, will be allowed in any program classrooms.

7. **No** grades will be **dropped**, No homework or assignments can be made up or accepted after instructor has taken up for grading.

8. **Homework** must be done in **proper outline form, neat and legible**, prepared on **loose leaf (8.5” X 11”) note book paper**, written only on **one** side.

9. Assignment must be turn in at the beginning of class

10. Any student caught cheating will be dropped from class and given an F for the semester grade.

11. Students are required to be present for all examinations and lectures.

12. Learning activities will be subjectively graded by the instructor. Students assigned to a group must be present at all times when the project is being worked on.

13. Instructor will reply to students email in a reasonable time or within 3 working days.

**NOTE:**

*Students who violate any of these policies will be asked to leave class and given an absent for the class period. Students who are continuing disturbing classes will be suspended from class for the remainder of the semester and given an grade of F.*
Students may vary in their competency levels on these abilities. You can expect to acquire these abilities only if you honor all course policies, attend classes regularly, complete all assigned work in good faith and on time, and meet all other course expectations of you as a student.

Course Outline

A. Introduction
   1. Introduction of faculty and students
   2. Review Syllabus
   3. Review Class Policies
   4. Review Student Enrollment

B. Electricity and Electrical Safety
   1. Electrical Safety Systems
   2. Shop practice and work habit
   3. Noise protection

C.) Electricity – How it works
   1. Electrical and Electron theory
   2. Introduction to current, voltage, and resistance

D.) Measuring the Electron
   1. Ohm’s law
   2. Types of circuits

E. Diagrams and schematic symbols
   1. System wiring schematic
   2. System wiring diagram

F. Electrical components
   1. Wiring
   2. Switches
   3. Resistor

G. Storage Batteries
   1. How a battery works
   2. Types of batteries
   3. Checking and charging
   4. Handling of battery

H. Charging circuits
   1. Operations of system
   2. Types of systems

I. Connectors
   1. Introduction
   2. Common types of connector
