**DISABILITIES STATEMENT**

The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. LIT provides reasonable accommodations as defined in the Rehabilitation Act of 1973, Section 504 and the Americans with Disabilities Act of 1990, to students with a diagnosed disability. The Special Populations Office is located in the Eagles’ Nest Room 129 and helps foster a supportive and inclusive educational environment by maintaining partnerships with faculty and staff, as well as promoting awareness among all members of the Lamar Institute of Technology community. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409)-951-5708 or email specialpopulations@lit.edu. **STARFISH**
LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive
e-mails from Starfish regarding your course grades, attendance, or academic performance.

page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic
alerts and detailed information. It is the responsibility of the student to pay attention to these
emails and information in Starfish and consider taking the recommended actions. Starfish is
used to help you be a successful student at LIT.

ADDITIONAL COURSE POLICIES/INFORMATION

ANNOUNCEMENTS

I will typically post announcements weekly, usually on Sunday afternoons. These
announcements indicate upcoming due dates and notes which will be important to
your success in this course. You should carefully read these announcements every
week.

PROFESSIONAL COMMUNICATION

My preferred method of communication is through email at yshin@lit.edu.

Students must use appropriate e-mail etiquette when corresponding with their
instructor. This involves writing emails in a "letter" format as opposed to "text chat"
format.

Alternatively, you may contact me on my office number 409-247-5296. You will
likely be directed to voicemail. Please leave a message with your Name, Your
Course Number (ex: BUSI 1301 – 2A1), and the main reason(s) you are calling me. I
will assume you are a spam call if you do not leave me a message and I will not
return your call without this information.

USE OF INSTRUCTIONAL MATERIALS

Instructional materials, such as Powerpoint Presentations, Instructional Videos, etc.
are provided in Blackboard for each chapter. These will be useful in understanding
and reinforcing concepts as they are presented in class. Content folders are
scheduled to unlock/grant access throughout the semester to ensure synchronous
learning.

DUE DATES

All assignments will have their due dates posted in the announcements at the
beginning of the week. Typically, all assignments are due on Sundays until 11:59 CST
DISCUSSION AND CHAPTER QUIZZES & HOMEWORK

Discussion questions are posted as needed under Assignment folder.

Chapter Reading Quizzes are typically 10-question Multiple-Choice, True-False, and Short-Answer assignments designed to ensure that you are reading the text at an appropriate and responsible pace. You will be given 60 minutes to complete each of your Chapter Reading Quizzes. You will be given two opportunities to submit each Chapter Reading Quiz to me. The final grade for each Chapter Reading Quiz will either be the average of the two "raw scores" or the "raw score" from a single submission.

Chapter Homework assignments are typically 20-25 question Multiple-Choice assessments designed to ensure that you have read, watched, or listened to the necessary content aligned with each chapter. You will be given 60 minutes to complete each of your Chapter Homework assessments. You will be given two opportunities to submit each Chapter Homework assessment to me. The final grade for each Chapter Homework assessment will either be the average of the two "raw scores" or the "raw score" from a single submission.

EXAMS

Exams will be provided within a Blackboard examination window. The exams will be timed and are typically limited to 75 minutes with 50 questions. Make-up exams will not be given. Missed exams will receive a score of zero. Your exam will be graded immediately by Blackboard. Feedback on specific exam questions will be given 24 hours after the exam has permanently closed.

You must work alone while taking the exam. Cheating on exams is not acceptable and will be subject to violations of the Academic Dishonesty Policy. Academic Dishonesty will result in a zero on any assignment; a second incidence of academic dishonesty will be handled at the discretion of the Department Chair.

EXTRA CREDIT

All opportunities for extra credit will be announced in advance. DO NOT ask for additional opportunities!

MISCELLANEOUS

Reliable Internet access is required for all online courses and many traditional
courses. Computer failure and lack of internet access are not acceptable excuses for missed assignments, projects, quizzes, or exams. A lack of preparation on your part does not constitute an emergency on my part. Do not postpone completion of assignments until the last minute.

You are expected to attend class as a professional student. This means you are to demonstrate proper hygiene, dress appropriately, and conduct yourself in a professional manner. Disrespect or insubordination will not be tolerated and will result in dismissal from class.

I will not discuss your academic progress over the phone. I will not answer emails past 6:30pm (1830) each day and I will not answer emails over the weekend (Friday at 1700 until Sunday at 1500).

It is the responsibility of the student to properly withdraw from the course. The withdraw process will not be initiated by the instructor. It is my policy to NOT give Incompletes as a final course grade.

I reserve the right, as the instructor to change, alter, omit, or add to the tentative course outline and calendar. This course continues to be a "work in progress". Assignments, due dates, etc. can change.
