SPECIAL CATEGORIES OF STUDENTS

1. **TSI Restricted student.** A degree-seeking student who has not passed all portions of a state mandated test. Students must enroll and regularly attend at least one developmental class each semester until they satisfy the TSI requirements.
2. **Students with disabilities (special populations).** Students that want to receive academic accommodations for their disabilities should register with the Special Populations Office at least 30 days prior to the beginning of the semester. Students may schedule an appointment with the Special Populations Coordinator by calling (409) 951-5708 or emailing specialpopulations@lit.edu.
3. **Hearing impaired students** may contact the Communications Access Provider by phone at 409-247-5133, email to mabradley-pier@lit.edu or using LIT's videophone (VP) at 409-242- 6527.
4. **Bacterial Meningitis Vaccination.** All students under the age of 22 must provide proof of Bacterial Meningitis vaccination no later than 10 days prior to the first class day of the semester. **PROOF OF VACCINATION IS REQUIRED PRIOR TO REGISTRATION.** Bring vaccination records to the Student Success office located in the Eagles' Nest building.
5. **Students with waivers or exemptions.** Students with waivers or exemptions must submit request forms, required identification and/or requested documentation to the Financial Aid Office in the Eagles' Nest. Requests must be made after registration and **before the first payment deadline.**

Students with 'holds' on their accounts, including financial 'holds', cannot register until 'holds' are removed.

¹ If you have not attended for two long semesters, you must re-submit a current application.

^{*2} High school transcript required if student has fewer than 18 SCH.

6. **Auditing a course.** Students who wish to audit a course must register for the course and submit a 'Petition for No Grade' before the deadline identified in the Academic Calendar.
7. **Financial aid applicants.** Students planning to attend a specific semester who have not received notice of financial aid awards via the Self-Service Banner Module MUST contact the Cashier's Office prior to the PAYMENT DEADLINE for that term. Students who have NOT completed all campus-based paperwork required to accompany FAFSA results MUST make payment arrangements with the cashier **prior to the first payment deadline**. Students who have not met financial aid academic standards must make payment arrangements **prior to the first payment deadline**.

HOW TO REGISTER FOR COURSES?

FIRST TIME STUDENTS

STEP 1

Complete an Application for Admission. An application can be completed online at www.ApplyTexas.org. Submit a high school transcript or GED. If you are under the age of 22, submit documentation that you have received a Bacterial Meningitis Vaccine.

STEP 2

Complete the TSI Assessment Test if you plan to complete a degree. Students should contact the Testing Center (409) 241-9701 to schedule an appointment for testing or locate an alternative testing site at <http://www.actstudent.org/register/center.html>

STEP 3

If applicable, apply for financial aid and/or scholarships. Complete the Free Application for Federal Student Aid (FAFSA). Forms are available on-line at www.fafsa.gov. LIT school code is 036273. Students interested in applying for scholarships must complete an application at <http://www.lit.edu/foundation/scholarships/>.

STEP 4

Contact an academic advisor to schedule an advising appointment.

See Academic Advisors (page 15) for contact information. All advising questions may be directed to registration@lit.edu.

STEP 5

Register for courses, pay tuition & fees. Students may register in person or online through [Self Service Banner](#)

Students with 'holds' on their accounts cannot register until 'holds' are removed from their account. See Student Success or Cashiers Office to remove 'holds.' Online students should contact their online advisor to remove TSI holds.

STEP 6

Purchase books. Books may be purchased at the LU Bookstore. Students may also purchase books online. See <http://www.lit.edu/CurrentStudents.aspx> for online bookstores.

Students need an ID number and password to register online. Your ID number is your 'T' number listed in your acceptance letter. Your password is your six-digit date of birth.

RETURNING STUDENTS

STEP 1

Schedule an advising appointment through **Starfish Early Alert** through **Blackboard** or **MyLIT**. If you have trouble accessing Starfish, please contact starfish@lit.edu or 409-247-5254.

STEP 2

Under **My Success Network**, find your **Primary Advisor** under **Your Connections**. Click the arrow and **Schedule**.

STEP 3

Click **General Advising** and select **Advising/Registration/Class Schedule**. Pick a day and time for your advising appointment that works for you and click **Continue**.

STEP 4

Review your scheduled appointment. Make sure the information is correct and select **Confirm**.

STEP 5

During the **Advising Appointment**, you & your **advisor** will complete an **Advising Form** to develop a **schedule** for the semester.

STEP 6

Before you leave the appointment, you will be **registered** for classes and given a **copy of the schedule**.

Re-print your schedule prior to the first day of class to confirm your schedule.

LIT ORIENTATION

Start **STRONG!**

Is this your first semester in college? First time at LIT? During orientation, students will learn to navigate the college experience. Exact times will be shared closer to the date via Blackboard and the website www.lit.edu.

TITLE IX

Title IX of the Education Amendments of 1972 (Title IX) prohibits sex (gender-based) discrimination and harassment in educational programs and activities at institutions receiving federal financial funding. Students new to LIT are required to complete mandatory training that combines sexual assault and substance abuse prevention education that require students to think about the consequences of their actions. If you have questions about Title IX, contact the Title IX Coordinator at LIT at 409-247-4838 or visit our website <http://www.lit.edu/TitleIX.aspx>.

EQUAL OPPORTUNITY/ DISABILITY STATEMENT

Lamar Institute of Technology is an equal opportunity/affirmative action educational institution and employer. The Americans with Disabilities Act of 1992 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. Among other things, these statutes require that all students with documented disabilities be guaranteed a learning environment that provides for reasonable accommodations for their disabilities. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409) 257-0046 or visit the office located in the Eagles' Nest, room 129.

The **Special Populations** Office helps to foster a supportive and inclusive educational environment by maintaining partnerships with faculty and staff, as well as promoting awareness among all members of the Lamar Institute of Technology community.

The **Special Populations** office is located in the Eagles' Nest Room 129.

SEEKING FINANCIAL ASSISTANCE?

TAKE THE RIGHT STEPS

Financial assistance in the form of grants, loans, and/or campus employment is available to qualified students. Initial qualification for awards and/or disbursements will be assessed on financial criteria determined from results of the Free Application for Federal Student Aid (FAFSA) and any required documentation. Continued eligibility is contingent on students' annual renewal of the FAFSA along with

individually maintained satisfactory academic performance.

Information regarding programs, policies, rules, regulations, consumer information and eligibility criteria can be obtained from

Lamar Institute of Technology, Office of Student Financial Aid,
P.O. Box 10043, Beaumont, TX 77710.

Helpful Hints for Successfully Applying:

1. Complete the **Free Application for Federal Student Aid**. Better known as the **FAFSA**, this is the starting point for **ALL** forms of assistance at LIT.
 - a. COMPLETE THE **FAFSA** EARLY. You may qualify for additional grants! The **priority deadline is January 15** for the upcoming academic year.
 - b. Apply online at www.studentaid.gov. Follow instructions carefully and take advantage of helpful hints.
 - c. Use Tax Returns, W2s and ALL sources of income to complete the **FAFSA**.
 - d. Retain copies of all documents used to complete the **FAFSA**. (We may be required to collect proof of income at a later date).
2. The Financial Aid Office will notify you of additional paperwork required. Students should monitor their LIT email and "self-service" account for notification.
3. If selected for **verification** (quality assurance process), you will receive an email to the address you provided on your FAFSA from Inceptia to provide copies of all income sources.

Grants are monies that the student does not have to pay back.

Loans provide assistance that a student must pay back after graduation.

Work Study is available for eligible students interested in working on campus.

4. Federal and state grants will be offered in 'auto- accept' status. Amounts will be prorated to correspond with student enrollment level. You **DO NOT** have to be a full-time student to be considered for aid.
5. Students interested in loans will need to accept loans on their self-service banner account. First-time borrowers will need to complete entrance counseling.

How to Use My Financial Aid

Financial aid is designed to HELP with college expenses. Any grants awarded or school certified loans will come to the school and be applied directly to your student account (bill).

Approved Financial Aid will be credited to your LIT student account approximately 3 – 5 days prior to the established payment deadline for a given semester. Financial aid is considered approved if you have been properly admitted, registered for classes, submitted a FAFSA, completed all campus-required forms and documentation, been awarded and accepted all appropriate financial awards.

NOTE: First-time borrowers should remember that the initial disbursement of any loan will be delayed until 30 days after the first class day. Make payment arrangements with Cashier's Office if this is your only source of aid.

Financial aid applicants must also be meeting **Satisfactory Academic Progress Standards**. To remain academically eligible, a potential recipient must be completing a minimum 67% of all attempted hours and have a GPA of 2.0 or better. Students on Financial Aid Probation must meet conditions of any approved appeal to maintain eligibility.

What about Scholarships?

Scholarships are **awarded to students who meet specified criteria**. A wide variety of scholarships are offered each year to students at LIT. Scholarships are funds that cover a portion of the student's educational expenses. A listing of available scholarship funds is on our website at www.lit.edu.

Scholarship funds are administered by the **Scholarship Committee** and are awarded on the basis of academic

achievement, programs of study, or special skills demonstrated by students. Consideration is given to extra-curricular activities such as leadership positions, career accomplishments, or honors and awards received.

Scholarship applications are available online for each semester. **Deadlines are listed on the applications.** An academic transcript must be submitted with the scholarship application if a student wishes to be considered for award in the upcoming academic year.

Approved scholarship monies will be credited to your LIT student account approximately 3 – 5 days prior to the established payment deadline for a given semester. A scholarship is considered approved if the award has been accepted by the student and a copy of the acknowledgement (“thank you”) letter that was previously mailed to the appropriate scholarship donor(s) is either turned into the Development Office or uploaded online in the scholarship software.

DIRECT DEPOSIT

As mandated by the Texas State University System (TSUS.), in an effort to reduce costs and increase efficiency, the use of manual/paper checks has been discontinued.

Students will be required to establish an account and/or provide banking information to LIT in order to satisfy direct deposit requirements.

Paper checks will no longer be used to return funds to students eligible for a refund. Students will be required to receive credit balance refunds and financial aid refunds electronically via Direct Deposit to an established personal checking or savings account.

Note: Only after all outstanding balances have been paid will any resulting credit balance be transmitted to a Direct Deposit checking account. Direct Deposit transactions may take 3-5 business days after transmission. Students must contact LIT Cashier’s Office or their banking institution to resolve problems associated with this process.

PAYING TUITION

Tuition and fees are subject to change based on the Texas State University System, LIT policies, and/or state and federal regulations.

Payment of Fees

A student is not registered until all fees are paid in full or the student has been approved for the installment payment plan.

Payment Options

1. **In Person** the Cashier’s Office is located on the first floor of the Beeson Building. Regular business hours are 8 a.m. until 5 p.m., Monday through Friday.

2. **By Mail** send check or money order to the address below. You must include your Student ID number (‘T’ number) on your check or money order. **Cashier’s Office, Lamar Institute of Technology
P.O. Box 10043, Beaumont, TX 77710**
3. **Web System** Students can pay their tuition and fees by check or credit card online through BANNER Self Service. LIT accepts American Express, VISA, Discover or MasterCard. Students may obtain an account balance(s) by going to the Lamar Institute of Technology homepage at www.lit.edu. Click on the link called myLIT. Students should click Continue on *Payment Gateway*. Follow the instructions to locate your account balance and make payment.

Warning: Be careful that you select the correct term or semester when you make a tuition payment. Do not pay for multiple terms in one term. You must, for example, pay tuition for fall by selecting the fall term. Likewise, you must pay tuition for the summer term by selecting the correct summer term or semester. Failure to correctly select the term and make payment per semester will result in the student being dropped from all classes in one or more semesters or terms.

Payment Amounts

Payment in full. Students who have paid all their tuition and fees for a semester will be registered for classes in that semester.

More than 25% of tuition and fees paid. Students who pay more than 25% but less than 100% of their tuition and fees for a semester **will be placed on the Installment Payment Plan.** A non-refundable service charge of \$20 will be assessed.

Less than 25% of tuition and fees paid. Students who pay less than 25% of their tuition and fees for a semester will be dropped from all classes.

Installment Payment Option Students may enter an installment contract with the institution. **Any payments totaling at least 25% of the full balance of the account constitutes an acceptance of an installment contract with the college.** Drop and/or withdrawal refunds for students using the installment plan are calculated as a percentage of the total tuition and fees assessed, not as a percentage of any partial payments.

A non-refundable service charge of \$20 is assessed for the installment plan option. A late fee of \$15 will be assessed beginning the first day after an installment due date for each delinquent payment.

Residence Status

Tuition is based upon the number of hours for which the student registers and is determined by the student's classification as a Texas resident, a non-resident U.S. citizen or a citizen of another country. Determination of legal residence for tuition purposes is made on the basis of statutes of the State of Texas.

Financial Obligations

A student who fails to make full payment of tuition and fees, including any incidental fees, by the due date, will be prohibited from registering for classes until full payment is made. A student who fails to make payment prior to the end of the semester may be denied credit for the work done that semester. Also, holds will be placed on academic records so that students cannot obtain transcripts and/or receive grades. All delinquent installment accounts, NSF checks and delinquent short- term loans will be released to a collection agency/credit bureau. All costs of collection are payable by the student to the collection agency. Collection fees shall include a fee of 33 1/3 percent of the original balance due, and loans may include an additional interest charge not to exceed five percent of the balance.

Insufficient Funds Checks

Checks written for payment of registration fees and returned due to insufficient funds will result in a \$25 check charge plus a \$10 late registration fee or a \$15 installment late penalty. Obligations paid by an insufficient funds check are considered delinquent.

PAYMENT DEADLINES

Students are responsible for paying tuition and fees prior to the deadline date. Students may obtain account balance information on BANNER Self Service.

Note to Financial Aid Applicants

Grants and scholarship will be credited to students' accounts 35 days prior to the first class day. Pell grants, other grants, and loans will be prorated according to student enrollment level. Scholarships will require manual adjustment for students enrolled 12th Class Day. Students waiting for adjustments must make payment arrangements with the Cashier's Office prior to the first payment deadline. Short-term, interest- free loans are available for the convenience of financial aid applicants. See the Cashier's Office for additional information.

REFUNDS

Withdrawal

Withdrawal from the college does not relieve the student of any financial obligations under the Installment Payment Agreement or student loans. These are the student's legal financial commitments. Refunds will be processed in accordance with the published schedule. Withdrawal from the college must be done with an advisor in order to receive a refund. A student seeking reinstatement to the college within the same semester after having withdrawn or been withdrawn shall pay late payment fees. Students on an installment plan must also pay all past due balances at the time of reinstatement.

For refund purposes, the first class day is always the official first class day of the semester. Any student officially withdrawing will receive a refund on Tuition, Laboratory Fees, Student Services Fee, Student Center Fee, Recreational Center Fee, Technology Service Fee, Health Center Fee, and Library Use Fee according to the following schedule:

Mini Semesters

(May and Winter Mini)

Prior to the first class day.....	100% (less \$15 matriculation fee)
During class days: One	80%
Two	50%
After the second class day, no refunds will be given.	

Sixteen Week Semester

(Fall or Spring Semesters)

(less \$15 matriculation fee)	
During class days: One through five.....	80%
Six through ten.....	70%
Eleven through fifteen.....	50%
Sixteen through twenty	25%
After the twentieth-class day of the semester, no refunds will be given.	

Eight Week Semesters

(Fall 2 & 3 and Spring 2 & 3 Semesters)

Prior to the first-class day..... 100% (Less \$15 matriculation fee)

During class days:

One through three 80%

Four through six..... 50%

After the sixth-class day, no refunds will be given.

Dropped Courses

Consider carefully the courses you select. Six-Drop Rule - State law prohibits a student from dropping more than six classes in their lifetime. Dropping a class may also affect the financial aid award that you receive.

Students, excluding recipients of federal financial aid, who drop courses during the first 12 class days of the fall or spring semester or within the first four days of a summer semester and remain enrolled at LIT, will receive refunds on tuition and fees for that particular course or courses. TSUS policy requires that refunds be deposited directly into a student bank account.

Matriculation Fee

A matriculation fee of \$15 will be incurred by students who withdraw prior to the first day of class. This \$15 fee will be deducted from refunds.

Senior Citizen Exemption

Students over the 65 years old are exempted from the payment of TUITION and DESIGNATED TUITION ONLY on a space available basis for a maximum of six (6) semester hours per term. Seniors may also audit classes on a space-available basis. Contact the Student Success Office for more information.

Online Enrollment

Students enrolled exclusively in online classes are not required to pay the Student Center, Health Center, and Recreational Center fee if a waiver has been requested. The student must apply for the waiver through the LIT Cashier's Office.

Distance Education Fee

A Distance Education Fee of \$20 per semester credit hour is assessed for online courses.

PARKING PERMITS

Students parking on campus must purchase a parking permit and display the permit in their vehicle while on campus.

Parking permits must be purchased in the Cashier's Office. Students must provide a **license plate number and make of vehicle** to purchase a parking permit

Handicap Accessible Parking Permit

Students who need an LIT handicap accessible parking permit should see the Coordinator of Special Populations.

STUDENT IDs

Students are required to have an ID while on campus. There will be a charge for the replacement of a missing student ID.

SEMESTER OPTIONS

Students have an opportunity to learn by selecting from different types of instruction and different semester lengths. Pick the semester that works best for YOU!

Traditional Semester (16 Weeks) August 21 – December 7, 2023

Traditional instruction occurs in a classroom setting. Students attend class 2-3 times per week. Classroom lectures, demonstrations, and homework assignments are common in this type of class.

Online and Hybrid Courses

The class is taught online or through a combination of classroom and online instruction. Students must log into the Blackboard course and communicate with the instructor before the end of the first week of class. Some online courses may require additional academic resources. Please contact the course instructor for a list of course resources and requirements. Students should have good computer skills and be very self-disciplined to be successful in online courses.

8-Week Semesters

August 21 – October 13, 2023 and October 16 – December 7, 2023

(Fall 2 and Fall 3 Semesters)

Some classes are taught during a short, intensive eight-week semester. The class meets Monday through Thursday for eight weeks or in a hybrid format. These classes **require students to attend class up to four times per week**. To be successful, students must be disciplined about attending class and completing assignments. Students should be comfortable using a computer.

Late Start Semester (12 Weeks) September 18 – December 7, 2023

Several classes are scheduled to begin one month after the first day of class for the semester. Classes scheduled in the 'Late Start' semester will meet one, two or three days per week for approximately 12 weeks.

Online Learning (OL) provides an environment for students to expand their learning experience beyond a traditional face to face classroom environment.

Courses completed online allow students to attend class anytime, from anywhere, through Internet access and email. Many online courses will require special software or proctoring agreements for labs and/or exams to provide an in-depth and user-friendly experience for learners.

Online learning mirrors the traditional classroom expectations by having discussion boards for peer interactions, assignments with due dates and other course deadlines to complete in a virtual setting.

PROGRAMS OFFERED ONLINE

LIT currently offers 15 degree and certificate programs that 90% or more of the program can be completed online. Nine of those fifteen programs are 100% online and marked with an asterisk (*).

Online Academic Advisors

Online students are provided with an academic advisor from their department/program of study just like face-to-face students. This individual will serve as a primary point of contact for facilitating a positive LIT Online Campus experience. Advising can be completed virtually or face to face. Upon acceptance into a program, please contact an Academic Advisor by email at registration@lit.edu.

Frequently Asked Questions...

What skills are necessary? If you believe you are a good candidate for online learning and want to take an online class, visit “Is Distance Learning Right for me?” at <https://www.lit.edu/online-learning/online-orientation/is-distance-learning-right-for-me>. Take the self-evaluation and learn about the skills, traits, and tips necessary for success as an online student.

What are the minimum computer requirements to take an online course? External Hardware: Keyboard, Mouse, Web Camera (We suggest you use the embedded web camera in your laptop or any standard web cam purchased and manufactured within the last 5 years.), Microphone, Speakers/Headset, Web Browsers (Any of the following): Chrome ([latest Chrome version](#)) MS Edge ([latest MS Edge version](#)), Firefox ([latest Firefox version](#)), or Safari ([latest Safari version](#)) - For macOS, iOS, or iPadOS only.

Additional System requirements for the Learning Management system Blackboard can be found at the following websites: [Blackboard Learn System Requirement](#) and [Blackboard Collaborate Ultra System Requirement](#)

What is the difference between a Hybrid Course and an Online Course? Instruction for a hybrid course is offered both online and on campus. The individual course syllabus will specify the campus requirement. The course may require weekly campus visit or may have an alternative schedule (e.g., once a month). An online course is offered completely online. A completely online course may still require a visit to a certified testing center within your geographical location.

Do I get the same credit for an online course? Will an online course transfer? Yes. The credit is the same for an online course as the credit for a class in which the student meets on campus. Online courses transfer the same as classroom sections.

Does an online course cost more? A Distance Education Fee of \$20 per semester credit hour is assessed for online courses. Students registered for online courses only are not required to pay the Student Center Fee if a waiver has been requested at the Cashier's Office. Other fees are required by the Board of Regents or state statute and cannot be waived.

Does an online course take as much time as a classroom course? The same information is taught in both types of classes. You should expect to spend as much time or more in an online course.

How long do I have to complete an online course? Online courses must be completed by the end of the semester, the same as an on- campus course.

How do I register for classes through Self- Serve Banner if there is a “hold” on my account? You will need to contact your assigned academic advisor. If you do not have an assigned academic advisor, send an email to registration@lit.edu.

Does LIT have WiFi? LIT has WiFi! There are several ‘hot’ spots on campus that LIT students can access the internet. Students may access WiFi in all of our buildings and our Eagles’ Nest parking lot.

Where can I turn for help with my online courses? Don’t be afraid to ask for help. Always contact your instructor first. Your instructor can assist you directly or suggest additional assistance. Additional support contact information follows:

Blackboard Support: contact the Blackboard Help Desk at 936-294-4395 or Lit-BBsupport@lit.edu.

Campus technology (myLIT, MS Office 365 support): contact the LIT Helpdesk helpdesk@lit.edu, 409-839-2074, 1-800-880-8321.

Non-technical support: contact your academic advisor registration@lit.edu.

On-Line Learning

Lamar Institute of Technology is partnering with various vendors to offer quality instructor-facilitated online courses focusing on higher education continuing education and adult lifelong learning. Instructors, that are subject matter experts, develop and facilitate their own course(s). The courses are highly interactive between students and the instructors providing benefits of a classroom course with communication exchanges among the participants. The courses have broad appeal and offer a wide range of fresh and popular titles.

TSI Exempt Classes

The courses listed on this page will exempt a student from TSI requirements.

If a student successfully completed one of the college credit courses in a category on this page, they are exempt from the TSI requirements for that category

OTHER TSI EXEMPTIONS

- A student who transfers from any public Texas institution of higher education with completed requirements for Texas Success Initiative (TSI). Transcripts must be evaluated.
- A student who is serving on active duty as a member of the armed forces of the United States, the Texas National Guard, or as a member of a reserve component of the armed forces of the United States and has been serving for at least three years preceding enrollment. Documentation is required.
- A student who, on or after August 1, 1990, was honorably discharged, retired, or released from active duty as a member of the armed forces of the United States or the Texas National Guard, or service as a member of a reserve component of the armed forces of the United States.
- Students not seeking a degree.
- ACT administered prior to February 15, 2023: composite score of 23 with a minimum of 19 on the English test shall be exempt for both the reading and writing sections of the TSI Assessment, and/or 19 on the mathematics test shall be exempt for the mathematics section of the TSI Assessment;
- ACT administered on or after February 15, 2023: a combined score of 40 on the English and Reading (E+R) tests shall be exempt for both reading and writing or ELAR sections of the TSI Assessment. A score of 22 on the mathematics test shall be exempt for the mathematics section of the TSI Assessment. There is no composite score.
- The use of scores from both the ACT administered prior to February 15, 2023, and the ACT administered after February 15, 2023, is allowable, as long as the benchmarks set forth in clause (ii) of this subparagraph are met.
- SAT on or after March 5, 2016, evidenced-based reading and writing (EBRW) score of a minimum of 480 shall exempt for both reading and writing sections of the TSI Assessment, and/or 530 on the mathematics test shall be exempt for the mathematics section of the TSI Assessment. Scores are valid for five years.
- Rules related to the Texas Education Code (TEC), Section 28.014, College Preparatory Course (CPC), Rule 4.54 Exemptions, Exceptions, and Waivers: A student who successfully completes a college preparatory course under Texas Education Code 28.014 is exempt for a period of 24 months from the date of high school graduation with respect to the content area of the course. The student must enroll in the student's first college- level course in the exempted content area in the student's first year of enrollment in an institution of higher education (We highly recommend the first semester). This exemption applies only at the institution of higher education that partners with the school district in which the student is enrolled to provide the course. Additionally, an institution of higher education may enter into a Memorandum of Understanding with a partnering institution of higher education to accept the exemption for the college preparatory course.
