

POLICY LIT.2.04 ALCOHOL ON CAMPUS

SCOPE: Faculty and Staff

Lamar Institute of Technology (LIT) recognizes that there may be limited circumstances in which the possession, service, or consumption of alcoholic beverages is appropriate in support of college functions, donor relations, community engagement activities, and other events that advance the mission of the college. At the same time, LIT is committed to maintaining a safe, professional, and legally compliant educational environment for students, employees, and visitors.

1. Alcoholic beverages are not to be possessed, served, or consumed on campus except as approved by the President.
2. No State appropriated funds, Federal or State Grant Funds or funds from student fees may be used to purchase alcoholic beverages or services connected with the use of alcoholic beverages.
