Crime Log Disposition Definitions

The following is an explanation of the terminology used to complete the Disposition section of the LIT Crime Log:

Open Case: The case is currently being investigated by law enforcement.

Unfounded: The case is determined through investigation to be false or baseless. No offense occurred nor was attempted.

Closed. **Referred to Department:** The case is referred to the appropriate supervisory employee or to LIT Human Resources. Those departments review the case and determine if disciplinary action will be initiated.

Closed. **Referred to Dean of Students Office:** The case has been forwarded to the Dean of Students Office. That office is responsible for reviewing the case and for determining whether or not the student(s) involved will be charged with a violation(s) of the Student Code of Conduct.

Closed. **Referred to Title IX Coordinator/Office:** The case has been forwarded to the Title IX Coordinator/Office. That coordinator/office is responsible for reviewing the case and for determining whether or not a Title IX Investigation is warranted and/or whether any other action will be taken to resolve the case.

Closed. CTW: The subject(s) has been issued a criminal trespass warning (CTW) which restricts the subject from entering or accessing any LIT property. A violation of this CTW may result in that person's arrest for trespassing.

Closed: The case is being handled by local law enforcement agencies and they have deemed the case to be cleared either by arrest, citation, or no action.
