

Certification Request Form for Federal Benefits

Students wishing to receive VA Education Benefits and/or Hazlewood are required to submit proper documentation to Veterans Services each semester of enrollment.

Instructions: Please complete all fields. If you have not received federal veteran educational benefits at Lamar Institute of Technology within the last two years, please make sure to include all required documentation with this form.

New Recipients: If this is your first time receiving the benefit, you will first need to apply at <https://www.va.gov/education/how-to-apply/>. You will receive a Certificate of Eligibility in the mail in approximately 30 days. Once received, you may complete this form and attach the document as required.

Confirmation of Certification: All official communication from the Veteran Liaison in the Student Services office is sent via your LIT email. Please check your school email regularly for communication regarding certification status or missing documentation.

Deadline: All documentation must be submitted to Veteran Services once registered for the semester for their enrollment to be certified with the Department of Veterans Affairs. Submission after the priority deadline may result in delayed payment.
