Welcome to Starfish What is Starfish?

Starfish Retention Solutions™ is an early alert and connection tool used by Lamar Institute of Technology to support student academic success. Starfish enables instructors to give praise or raise concerns regarding your academic performance within a course. Called “kudos” and “flags”, these notifications are sent to your LIT e-mail account. Please note that NOT all instructors will be using Starfish. You may have several instructors who do NOT raise flags/kudos. Not receiving a Starfish notification does NOT indicate good/poor academic performance. You should always speak with your instructor if you are unsure of your academic status in the course.

What to do if you receive a Flag?

- Take Action!
- Speak w/ your Academic Advisor
- Revise/Improve Study Habits
- Meet with your Instructor
- Utilize Tutoring Services
- Attend All Classes

1. Click your name in the top right corner of your Home page to open your profile.

   From here, you can customize your profile by uploading a photo, setting appointment reminders, and adding a secondary email address for receiving Starfish emails (e.g. your mobile phone).

To have Starfish emails sent to your mobile phone (in addition to sending to your primary institutional email address):

- Enter the email address of your mobile phone in the Alternate Email field. This address will be a combination of your phone number plus carrier information. Click the more information icon (borah) for a list of common carriers and email address formats:
- Click the Both radio button associated with “Send my correspondence to”.

2. Once you have made your desired changes to your profile, click the Submit button to save your updates.
