Comments or Suggestions:

Professor Peyton is incredible. She is always interacting with us and she is so helpful. Also, she always keeps me updated on my average during the semester and encourages me to keep up the good work.

Ms. Peyton is very encouraging and motivates her students to learn. This is my second class taken by her and she is overall an amazing professor.

When I signed up for this class I was a little apprehensive. I thought it would be rather boring. You have made this course enjoyable and really had me thinking about certain topics
