Honestly I believe they should allow a test to see if Dori is necessary. I think it's boring and almost ridiculous how hard online classes are to fight with being the Lockdown Browser needs to be accessible to take assignments and turn them in all at once not have to save it to USB etc. I think Dori should be an option to be able to test out of. I've learned how to study through school getting us ready for college and that was back in 2011. Please let us test out of Dori Study Skills Class...

---

You should not have to take this class at age 33 to go to night school! It is ridiculous and a waste of time.
