My instructor is excellent at teaching this course.

Ms. McClelland is hands-on with her students. Understandable, Caring, and has great video tutorials.

Was encouraged and required to work on assignments before the material to explain the assignment would even be posted. Most lessons are vague and don't include valuable and necessary information to understand what's it seems like should be needed to succeed.

I appreciate that she always answers my questions rather quickly and helps breakdown assignments to make them manageable.

Ms. McClelland was a great teacher, she was always available when I emailed her questions. I enjoy the class, and interacting with her.

Ms. McClelland is a hands-on instructor who does a great job of communicating and responding to emails quickly. I have enjoyed having her as an instructor.
