Dr. Grass was an amazing instructor, she always responded to questions in a timely manner. Dr. Grass also gave very encouraging comments as well as explanations of grades. I look forward to take BIOL A&P 2 from her in the fall 2019.

Professor Grass is a wonderful online instructor. Always encouraging students, giving compliments, and offering help when needed. I absolutely loved this class and learned a lot in it.

This was a good class and I learned alot.

This teacher should not be teaching an online course. She never answers in of the questions I send in my emails. She just points out what do wrong, such as the subject line.

Dr Grass is an amazing instructor! she always there when I need help. She is very quick to answer all my questions and is very helpful :)
this class is wonderful.

The flexibility of this instructor is great. The only concern I had with the course was the way the course was set up. There were a lot of links that did not work and it was generally unorganized. It could possibly just be my computer, but the format of the course content and chapters are hard to deal with. The course videos and powerpoints are not easily accessible as they are split up into multiple different unorganized videos.

Great teacher

I absolutly loved this class. As a Criminal Justice major I enjoyed how each lab is presented as a crime scene. Looking forward to taking BIO A&P Lab 2 in fall 2019.

I loved this class and learned a lot that will help me next semester. Professor Grass was available for help when I needed it and made the online class enjoyable. I hope that I am able to have her for future classes.
