I have learned alot from this class. My only wish would be that we could work ahead on questions. I also had no interaction with my teacher at all this whole semester.

Course is going great so far, I have not had much of a reason to speak to my instructor much but that is not a bad thing, that just means his course is set up very well and able to get through the course without any hiccups.

The questions on the tests are sometimes hard to follow and don't always go with the materials studied.
