This was my most challenging class. Overall, I loved it and can't wait for my next history class.

I don't know if it's just me, but this class sucks. The tests are confusing and there basically are no assignments other than discussion boards and those don't actually help anyone learn. I may be biased because I am bad at and also hate history, but that's my opinion. The instructor seems great, but I need a little more structure if I'm going to learn about a subject as boring and stupid as history. Bluuguhh. 2/10 course. 8/10 instructor. Give her a raise.
